

analyse function !

Posted by ericdu62 - 04 Oct 2014 06:46

hello,

What is the "Analyze" was based?

no documentation about it, nobody talks about, yet it is present on the device

=====

Re: analyse function !

I don't have the 536, only a 436. But, to the best of my knowledge the "analyze" function does not exist. Long story of angry users about the situation.

Best suggestion, direct a Question to UPMAN, official Uniden spokesperson for details.
