

Home Patrol 2 announced

Posted by vroderick - 27 Oct 2014 23:13

Universal Radio is reporting that the Home Patrol 2 has been announced and will be released 11/15/2014.

" Uniden has just announced the Uniden Homepatrol II. It has the same looks and features as the original Homepatrol I, but adds TDMA Phase2 capability.

This new model is expected 11/15/14. Universal Radio is accepting orders now. "

Phase II, X2-TDMA, USB charging, and it's a cool black color. Looks pretty sweet.
