

Why delete my post?

Posted by n3617400 - 29 Oct 2014 00:55

Why delete my post without any comments?

=====

I restored that post, but deleted the other. You are free to participate. You are also free to hack around on the firmware if you can figure out how. You are not free to post proprietary code or code fragments or bin/hex/dec images of our proprietary, copyrighted code.
