

Augusta Area

Posted by jbm - 14 Aug 2010 13:29

Anyone else in the Augusta area plan to get a HomePatrol?

I have one and I live in grovetown. I just found out I am going to Seattle to work for 1 1/2 years. If you want a bargain on one call me at 706-231-7551. I have the HP1 with extreme down load 50ft of low loss coax, lightning arrestor, Outdoor Scanner/Ham Discone TV Antenna (ST4) SS and a eave mount bracket
