We have the new Home Patrol Uniden Scanner now on display.

If you get down near SW INDIANA stop by our store.

I am usually in 8-3 m-f.

I am now streaming my "Marion County Police Dispatch" feed via an Extreme-Upgrated HomePatrol-1... What a wonderful radio!

Thanks to Jeff at HamStation ("Trido" on this forum) for his typically excellent service getting a radio to me in time to get the Extreme Upgrade discount!
