

## could we start ne topic

Posted by hutch67 - 30 Sep 2011 16:24

---

i would like to see a new topic for each of the upgrade features

how do you use it ,tips, instruction for those of us that didnt read or undstand the manual

ie band scope ect.

---

Why not just view the YouTube videos that Upman already posted or just read the manual? If we posted the information here you would still have to read it and the information is available.

The link below contains the videos.

[www.youtube.com/user/UnidenUpman?blend=1&ob=5](http://www.youtube.com/user/UnidenUpman?blend=1&ob=5)
