

No reception

Posted by glowe88 - 28 Dec 2013 02:05

Received a new HomePatrol-1 it will not pickup any signals. Any advice?

See if you get any reception on these freqs Nationwide Station Listing Using Broadcast Frequencies
162.400

MHz

162.425

MHz

162.450

MHz

162.475

MHz

162.500

MHz

162.525

MHz

162.550

MHz

also make sure the services are turned on (Menu - select service types -) Good luck.
